

Museo arte contemporanea di Morterone

www.comune.morterone.lc.it

Born in the middle of the 1980s with the aim of presenting sculptures and paintings by both Italian and foreign artists (originally thirty) on the territory of Morterone, the smallest municipality in Italy, it is now a real open air museum at the base of Mount Resegone.

Museo di Primaluna

www.comune.primaluna.lc.it

Situated in an ancient building the museum preserves objects of daily life in the rural Valsassina of the end of the XIX century and of the beginning of the XX century and illustrates the everyday history and the way of living of this community.

Orto Botanico di Valmadrera

www.comune.valmadrera.lc.it

An authentic garden of aromatic and medicinal plants, about 450, situated in the area already used by the monks in the XVIII century as a botanical garden for medicinal plants, the so-called Giardino dei Semplici (Garden of the Simples).

Casa Museo I Tre Tetti

www.giorgiorivaopere.it

With its unusual and maybe unique appearance, the Tre Tetti Museum in Sirtori isn't an exhibition of works of art, but it's only one single very complex work of art. Landscape art, art of the light, architecture, sculpture, painting, design freely mingle with poetry and music.

Piccolo Museo della tradizione contadina

www.piccolomuseodibulciago.blogspot.it

The Museo collects objects of daily life of the local rural world. It illustrates the ways of living and working typical of this area at the end of the XIX century and at the beginning of the XX century.

Aia di Verderio Museo contadino

www.coverd.it

The complex, once used as a corn drying kiln, was designed by the architect Gaetano Besia from Domodossola in 1857. The structure had agricultural purposes and the farmers used to spread the wheat in the yard to let it dry in the sun. In 2004 the complex was bought and restored by the Verderio family and was situated a museum devoted to rural lifestyle.

The distribution of the Museums

The System of Museums in the Province of Lecco

TWENTY MUSEUMS on the territory of the province of Lecco to provide a new exciting opportunity to people of all age, students, art and culture lovers and tourists.

Thanks to the **SISTEMA MUSEALE DELLA PROVINCIA DI LECCO** (Network of the Museums of the province of Lecco), founded on March 31st 2008, it is now easier to discover and know the rich and different cultural heritage guarded in the museums and collections throughout the territory. In December 2009, Regione Lombardia recognized the Sistema Museale della provincia di Lecco as "local museum network" with base in the offices of the Culture Service, Cultural Heritage, Identity and Traditions of Provincia di Lecco.

The Network has **THE PURPOSE** of coordinating functions and actions to promote the museums, their treasures and the collections of the Lecco area in order to improve and increase the quality and the variety of services offered to citizens. The Network also promotes the interchange of data, information and equipment between the Authorities taking part in the project, therefore to promote the training and updating of professional people in the different area of the museums.

Local, public or private Authorities **CAN JOIN THE NETWORK** when they have museums or collections recognized by Regione Lombardia.
